Company Background

Guaranty Trust Holding Company Plc (GTCO Plc) is a foremost Financial Group headquartered in Lagos, Nigeria, and listed on the Nigeria and London Stock Exchange. GTCO Plc flagship subsidiary is Guaranty Trust Bank Limited (GTBank Nigeria, previously Guaranty Trust Bank Plc) that was incorporated as a limited liability company licensed to provide commercial and other banking services to the Nigerian public in 1990. The Bank commenced operations in February 1991 and since then has grown to become one of the most respected and service focused banks in Africa.

In 2013, Guaranty Trust Bank Limited acquired a 70% controlling stake of the then Fina Bank Group which had been in operation in Kenya for over 25 years with subsidiaries in Rwanda and Uganda. The expansion into East Africa is in line with the Bank's spirit of being 'Proudly African and Truly International'. By 2026, Guaranty Trust Bank Limited increased ownership to 100% becoming a fully owned subsidiary of the Group.

Guaranty Trust Bank Limited has been in operation for over 35 years and operates over 200 branches in Nigeria with subsidiaries in Gambia, Ghana, Liberia, Sierra Leone, Cote d'Ivoire, Kenya, Uganda, Rwanda, Tanzania and the United Kingdom.

Guaranty Trust Bank (Kenya) Ltd (GTBank Kenya) has two subsidiaries; Guaranty Trust Bank (Uganda) Ltd with a 100% shareholding and Guaranty Trust Bank (Rwanda) Plc with a 96.38% shareholding.

At Guaranty Trust Bank (Kenya) Ltd, our culture is anchored in the belief that "Together, we are at our best." Our core values—Respect Everyone, Put Ethics Over Everything, Work Hard, Think Critically, Be Exceptional, Guide Each Other, Stay Open, and Stand in Trust—serve as the foundation of who we are and how we work. These values guide us every day as we pursue our purpose: to become Africa's leading financial services institution.

Objectives

General Objective

GT Bank Kenya intends to on board a reputed vendor with proven industry experience to conduct a comprehensive physical verification and tagging of all Property and Equipment across the Bank's Head Office, branches, and electronic data centers. The vendor must fulfil the evaluation criteria as given in this document. In this regard, the Bank invites proposals from capable and experienced bidders to provide comprehensive fixed assets verification.

Nature and Scope of the Project

The selected vendor will be required to execute the project across three key phases:

- Locate, physically inspect, and count all movable and immovable fixed assets (including IT hardware, specialized banking equipment like ATMs/vaults, office furniture, leasehold improvements, and motor vehicles)
- Deploy permanent, tamper-proof aluminum barcode/QR code tags to all un-tagged or newly discovered assets. Ensure every unique asset is linked to its corresponding location and department.
- Document and investigate inter-departmental or inter-branch transfers where assets are found in locations different from the FAR records, establishing a clean baseline for location tracking.
- Provide comprehensive valiance analysis report categorized by:
 - Assets matched successfully
 - Assets physically present but missing from the FAR.
 - Assets on the FAR but missing physically.
 - Assets recommended for impairment or write-off due to damage or obsolescence.

Evaluation Criteria

Proposals will be evaluated based on the following criteria:

1. Vendor profile, experience, and proven capability in conducting the fixed assets verification.
2. Demonstrated understanding of GT Bank Kenya's requirements and alignment of the proposed fixed assets verification.
3. Effectiveness of the proposed fixed assets verification, including technology, SLAs, and governance framework.
4. Pricing structure, transparency, and overall value for money.
5. Implementation approach, timelines and risk management.
6. References, testimonials, and client satisfaction ratings from at least three recent clients where similar verification has been conducted.
